58 On Jan 6th will be our 1960's Civil Rights Fight all in one. We must go over 1 Million plus. The city will need several drones to count the crowd.

25 I'm really hoping the buses are at the front. You need weight and momentum to get through police road blocks.

25 Just spray-paint "ACAB"/"BLM"/"ANTIFA" on the front of the vehicles and the police will escort you to destinations.

▼ Please inform me how you're going to nonviolently persuade police to dissolve the roadblocks.

Objectively, we are breaking laws and mandates — but only because those laws and mandates, and the ones behind them, are peak clown world.

▼ This is why I planned for alternatives. Going to Dulles, not DCA. Staying at the airport, not in the city, etc.
